※In addition to the courses above, you will automatically be enrolled in Japanese language classes (non-credit, free of charge).  
(Note)

- A) Tuition will be decided based on the number of courses listed above. You may change the number of courses as long as it is before your payment. However, please be reminded that you will need to register for at least 15 credits per semester in order to apply for a student visa in Japan.
- B) Tuition is non-refundable. This shall also apply in situations such as:
- if you reduce the number of courses after your payment.
  - should you register but fail, or fail to complete the course/s.
- \*Should there be courses you would like to add after your initial payment, you may do so by paying for the course/s in cash after your arrival.*
- C) Exceptions: Refund will be made in the following cases:
- should the University be responsible for the cancellation of course/s you have paid for.
  - should you decline your acceptance to the Program, or should your acceptance be cancelled.
