

Transcripts of Japan Studies Courses

Upon completion of study at GSC, an official academic transcript will be sent to the student and the International Office of the student's home university by the Academic Affairs Division of Aoyama Gakuin University. For Japan Studies courses, course titles on the transcript will be marked as below. Please note that course subtitles will NOT be marked on the transcript. For other courses, course titles on the transcript will be marked as written on the course syllabus.
